The wind blew the rosettes off the gate! Find them before our new friend comes.

Who Walks Like That?

Neat little prints, all in one straight line, one foot in front of the other. Who walks like that? Do your puzzle, and keep your eyes open. Follow a path from the Farmer to the Flower Bed without crossing a wall, ***Ada****.*

Start: Farmer

Finish: Flower Bed

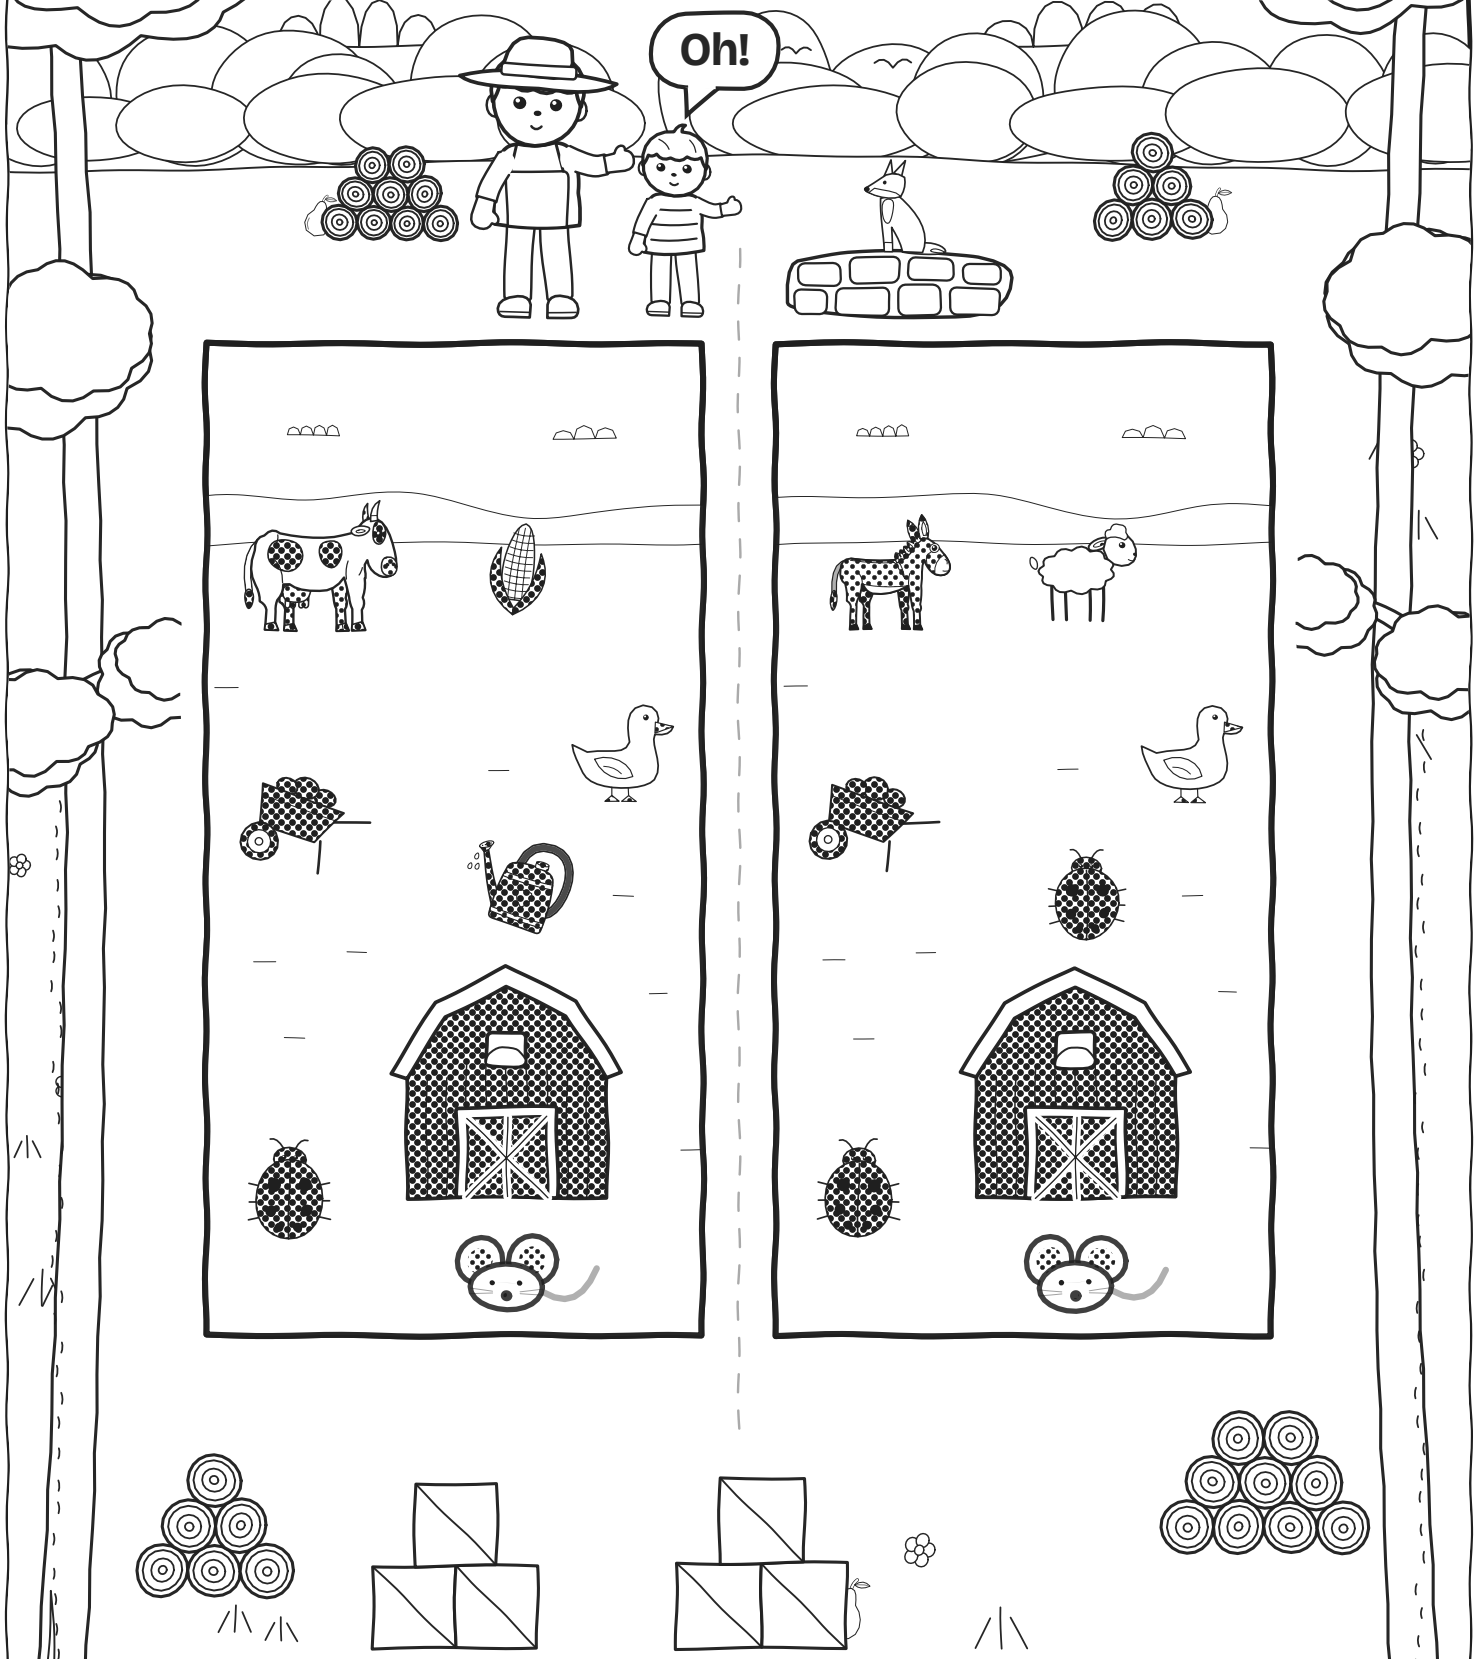

The prints go past the rakes. Find them!

Find

A Fox on the Wall

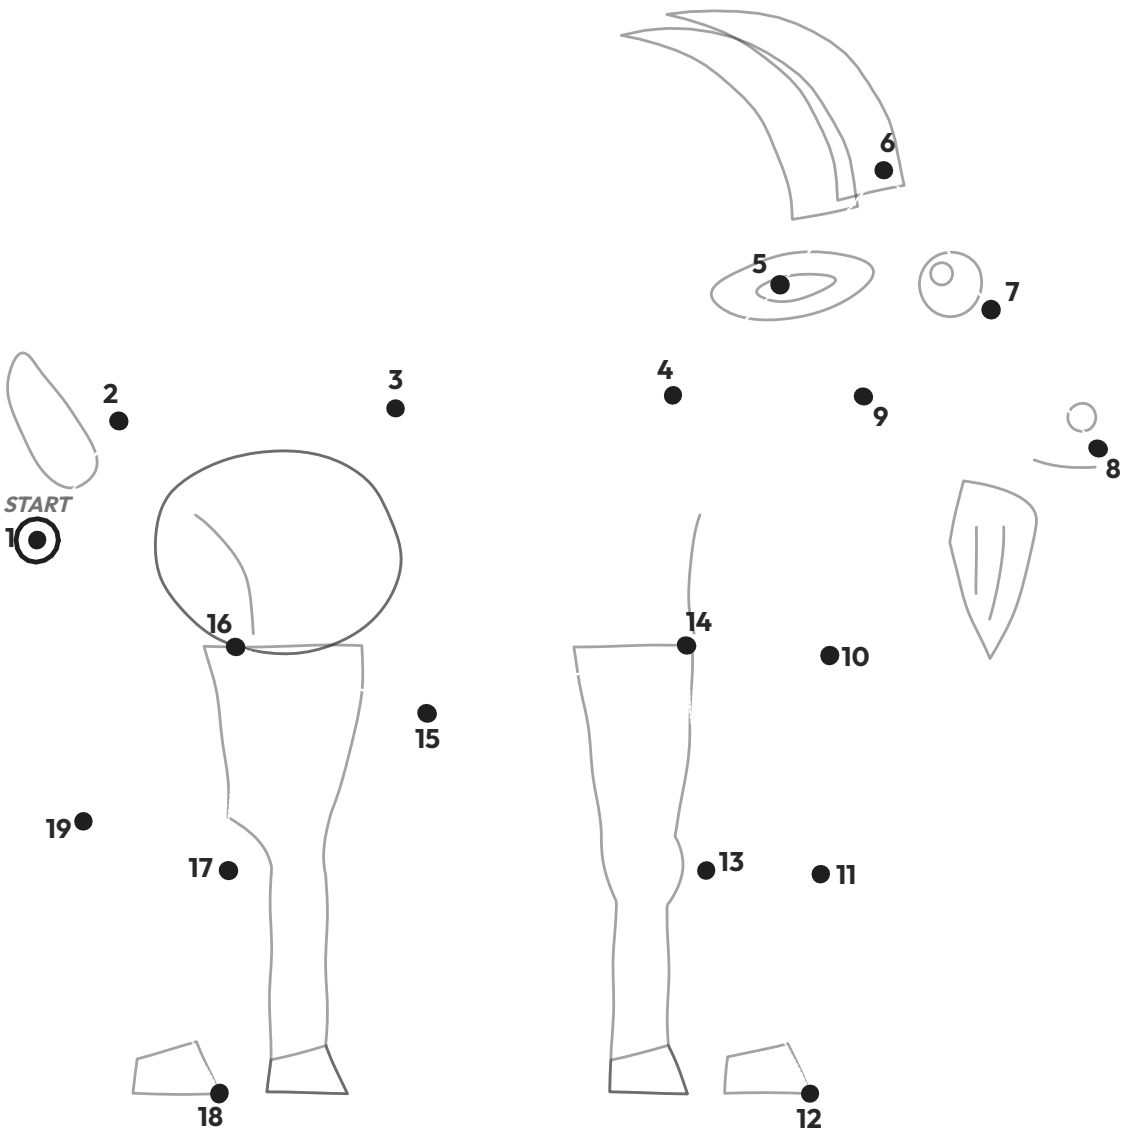

*A fox is sitting on the wall in the last of the sun, washing her ears. Do your puzzle very quietly. Farm Helper **Ada**, circle the 3 things that are different.*

She Looks at You

The fox looks at you. You look at her. Neither of you is in any hurry. Do your puzzle, and take your time. ***Ada****, join the dots to draw the goat.*

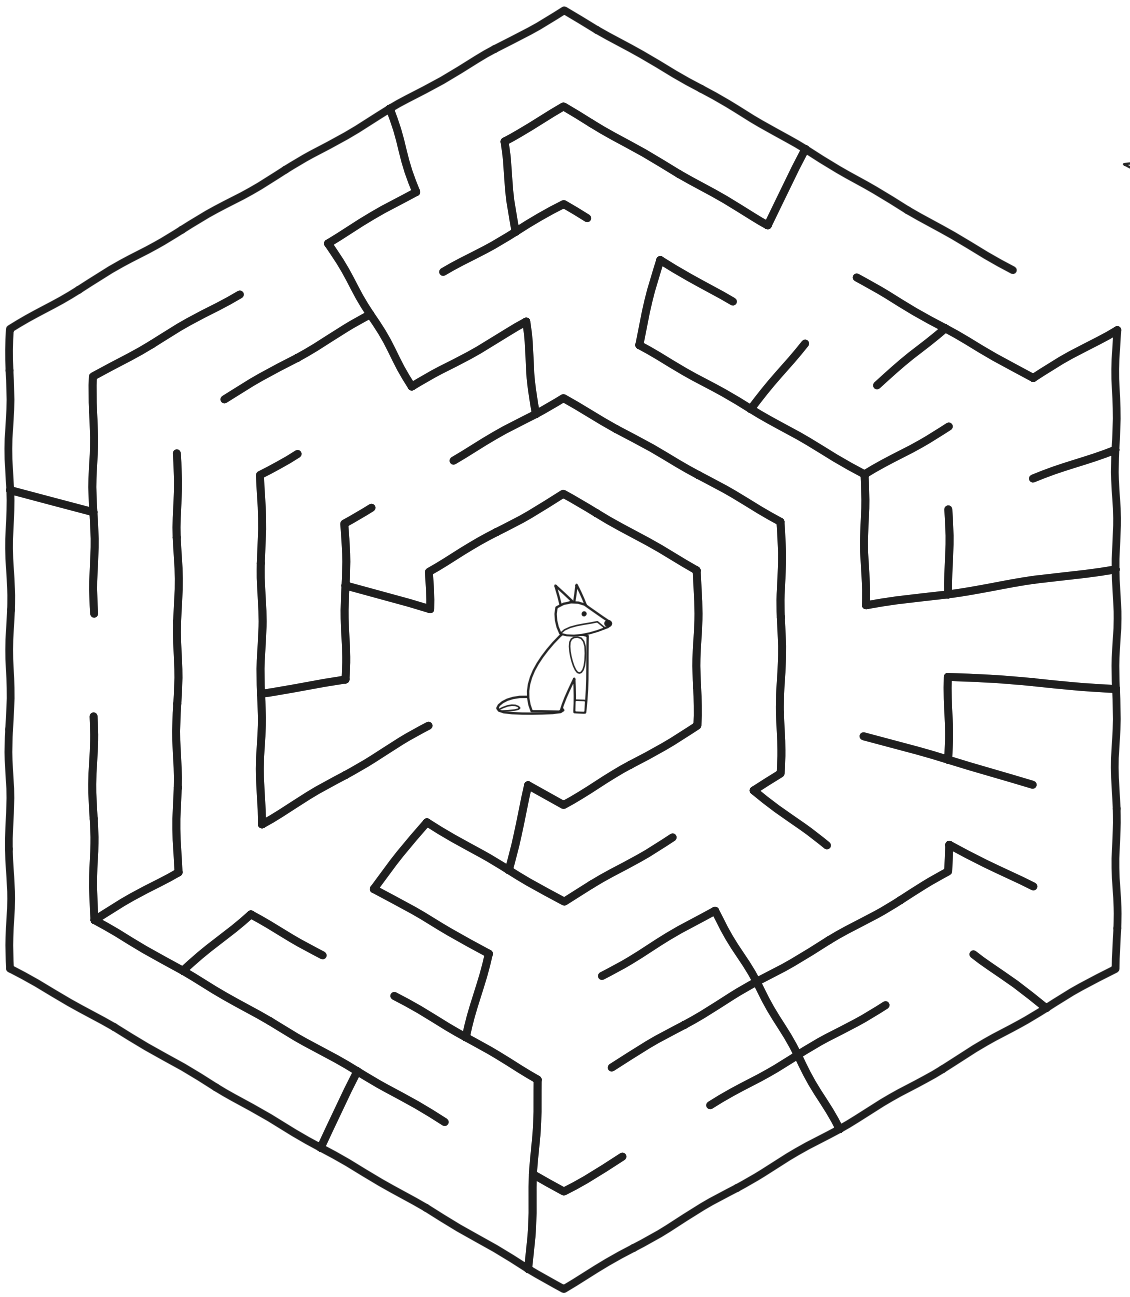

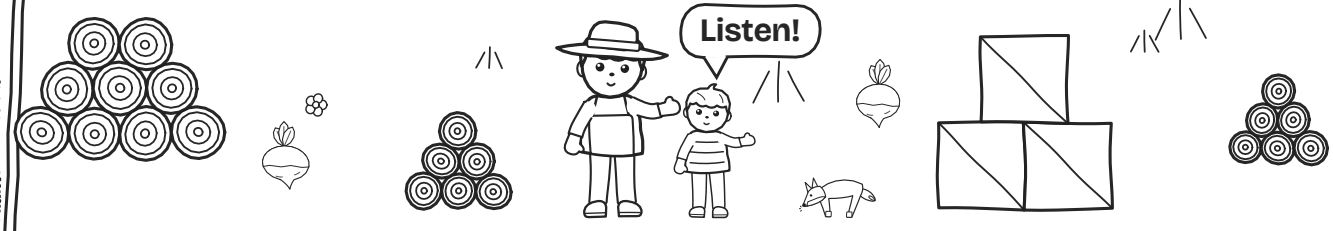

A mouse is keeping very still too. Find the mice!

Beetles for Tea

Down the fox jumps, and listens to the ground with her head on one side. Beetles for tea, if she can hear them! Have a go at this while she listens. Plan a trail from the Farmer all the way to the fox, ***Ada****.*

Start: Farmer Finish: fox

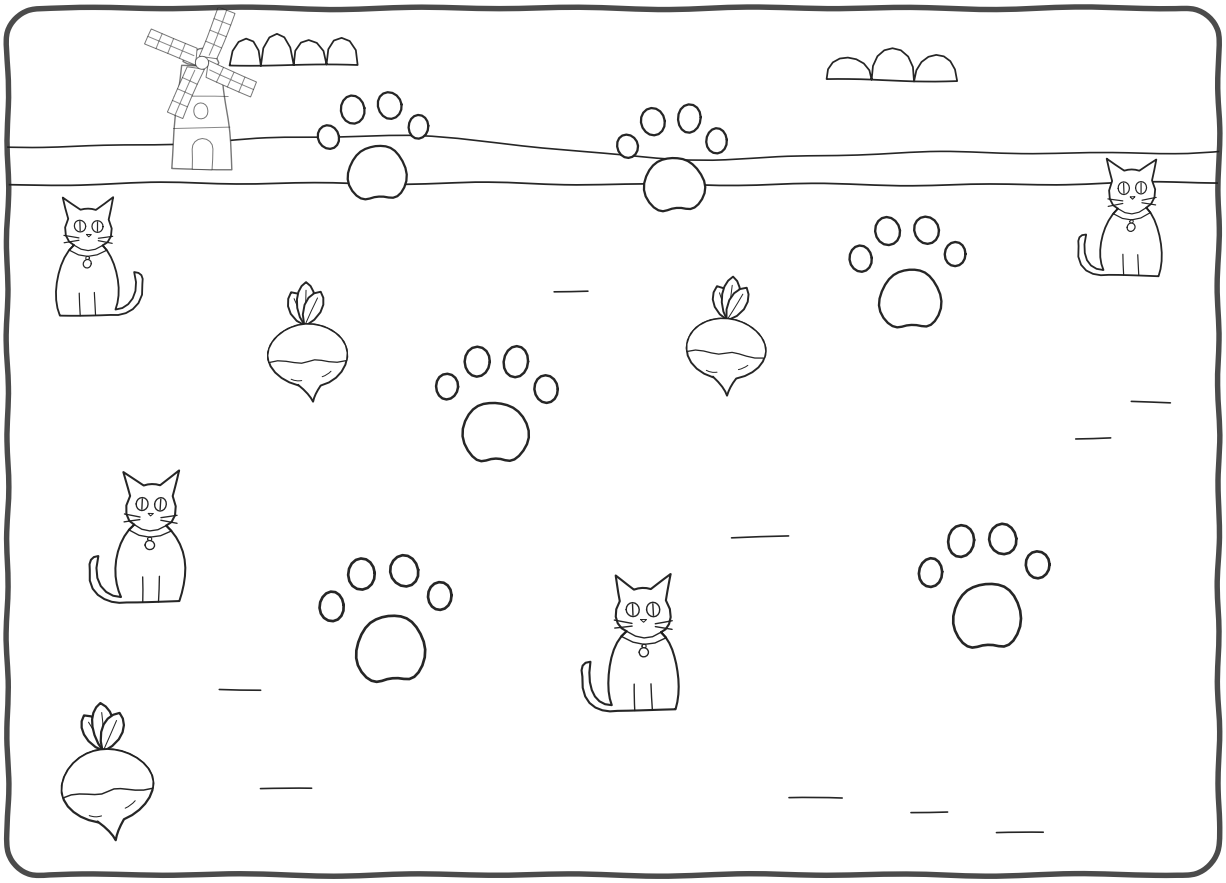

Find the turnips, for a tea of your own!

Goodnight, Fox

*Off she trots along the hedge to the wood, with her tail out behind. "Goodnight, fox," says the Farmer. Try this one, and say it too. Point at each one in the picture as you count it, **Ada**, then write each total in its box.*
